

May the Lord Bless Us I

Psalm 128

Refrain: May the Lord bless us all our days.
May the Lord bless us all our days.
May the Lord bless us all the days of our lives.

Blessed are the people walking in God's holy way.
They shall eat the fruit they've grown
and favored shall they be. **Refrain**

Like a vine so fruitful in your home your wife shall be.
Olive plants around your table
shall your children be. **Refrain**

May the Lord from Zion give us all prosperity.
May our children's children
find their peace in Israel. **Refrain**
