

The Hand of the Lord II

Psalm 145

Refrain: The hand of the Lord still feeds us.

God answers all our needs **2x**

Your wondrous works all thank You, Lord.

You answer all our needs.

Their blessing is our great reward.

You answer all our needs.

They tell the glory of our King.

You answer all our needs.

Whose hand is seen in everything.

You answer all our needs. Refrain

And so with hope we look to You.

You answer all our needs.

To give us food in season due.

You answer all our needs.

And by your mighty hand to bring.

You answer all our needs.

The needs of every living thing.

You answer all our needs. Refrain

You, Lord, are just in all your ways.

You answer all our needs.

Your works are worthy of our praise.

You answer all our needs.

And You are near to all who call.

You answer all our needs.

Your truth is given to us all.

You answer all our needs. Refrain
