

Walkin' in the Sunshine

The morn's bringing presents of tinklin' glassy sunlight down on me. **2x**

A birdie-high-tweeter's tweetin' down a warblin' melody.

Whoa...and I'm walkin in the morn-in' to make it in the sunshine!

The low dewy lavender wild flowers don't got too much to say. **2x**

But the long grass licks my dry boots wet to wipe the dust away.

Whoa...and I'm walkin' in the mornin' to make it in the sunshine!

And you know the way you are

'cause those who love you can't be far.

Walkin' in the mornin' to make it in the sunshine!

Don't mind havin' the people pilin' all their cares on me. **2x**

'Cause in the light of the morning sun I'm strong as I can be.

Whoa... And I'm walkin in the mornin' to make it in the sunshine!

Time is comin' for me to walk among my friends again. **2x**

Cause when you know somebody loves you so

the sun comes shinin' in!

And I'm walkin in the mornin' to make it in the sunshine!

And you know the way you are

'cause those who love you can't be far,

Walkin' in the morning to make it in the sunshine! Sunshine!
